# COLLABORATE TO ACCELERATE

INTRODUCING THE NEW PORSCHE | HEAD COLLECTION.

*IT'S THE TIMELESS STORY OF THE DESIRE FOR SPEED, THE PURSUIT OF EXCELLENCE AND THE CRAFT OF ENGINEERING.*

*THE 1965 PORSCHE TARGA 911 WAS NEITHER A CABRIOLET NOR A COUPÉ, BUT SOMETHING COMPLETELY NEW: THE FIRST OPEN-TOP IN THE WORLD WITH A FIXED SAFETY, ROLL BAR.*

*THIS TOTALLY DIFFERENT KIND OF DRIVING EXPERIENCE RESONATED WITH THE SKI DESIGNERS AT HEAD WHO SHARED THIS PASSION FOR THE PURE EXPERIENCE OF ELEMENTAL FREEDOM.*

*TOGETHER WE ARE MORE THAN THE SUM OF OUR PARTS. THIS IS THE PHILOSOPHY OF COLLABORATE TO ACCELERATE.*

*Targa*

### ICONIC ROLL BAR COLOURS

The iconic open-top design of the Targa is made possible by the roll bar. The unique livery of the Porsche 7 Series and Porsche 8 Series ski is a homage to the distinct flash of metallic colour from the roll bar.

### DESIGNED TO LIBERATE YOUR STYLE

Every part of our PORSCHE | HEAD collection represents the spirit of freedom, open to the mountain in the same way the car is open to the freedom of the road. The ski design echoes the famous open roof, inviting the skier to step into the bindings and become part of the ride.
